STATEMENT OF VIRGINIA COMMISSIONER OF ELECTIONS SUSAN BEALS  
October 17, 2022

The Virginia Department of Elections has identified that there is an issue with voter notices sent to some voters in southwest Virginia. Voters with a P.O. Box may have received a voter notice with incorrect voting location information.

The Department of Elections will mail corrected notices to all affected voters. Any voters can check their voting information on the Department's website at [www.elections.virginia.gov](http://www.elections.virginia.gov) or by calling 804-864-8901 and dial 0 for the operator.
